Dear Music Lovers,

Life without Music is barren .Music is a part of our culture and food for our soul. It gives me great pleasure to introduce you to Mr Nandi Duggal the pioneer of hundreds of stage shows aboard.He has been responsible to present most of the top play back singers of the Indian Film Industry to the West.

He has two Demo Instructional Studios in Mumbai where anyone can come and sing on pre-recorded film Music tracks of famous playback Singers. Here you are taught the technical aspects of singing while recording. His is the only studio of this kind in India where aspiring singers can quench their thirst for singing at a very nominal fee.

Recording knowledge given to singers helps them to become professionals in due course of time .All future greats should take advantage of this excellent opportunity ,to discover the singer within himself/herself.

I wish Mr. Nandi Duggal all the success to carry out this great work for the upcoming generation of new singers .

LOVE & REGARDS

KULDIP SINGH
