Dear Music Lovers,

I take great pleasure in introducing Mr Nandi Duggal ,the Pioneer of Indian Musical Shows aboard, who has organised more than a thousand shows all over the world with top Playback Singers of India. He is a person dedicated to Music, and loves to share his knowledge and Experience of Music with others.

I am sure everyone enjoys good Music & since it is a part of our culture, I would not be wrong to say that each one of us has a hidden Singer within himself / herself. Here is a chance wherein you can bring out the singer in you.

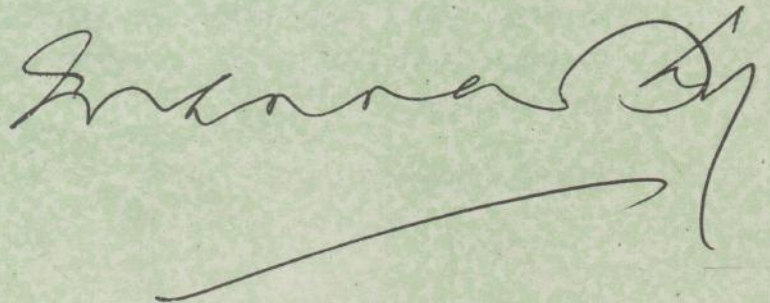

Mr. Nandi Duggal has two Studios in Mumbai where anyone can come and sing songs of famous singers of the Hindi Film Industry on Pre-Recorded Music. Here you are taught the technical aspects of singing while recording & given all the possible help required to sing in a Studio. As of today his is the only Demo Studio in India, where aspiring singers can come and get their songs recorded at a very nominal fee.

Appropriate knowledge given to Singers , helps a great deal in making them professional Singers in due course of time. I wish more talents to come forward and take advantage of this great opportunity to analyse and subsequently improve their singing.

I wish Mr Nandi Duggal all the best in his endeavours to carry out this great work for the love and promotion of Music.

Love & Regards

Manna Dey
